

Welcome to  
the Game!

A pixel art illustration featuring a light blue grid background. In the top left corner, there's a large, multi-layered heart composed of pink and purple pixels. To its right is a wavy pink ribbon banner. On the far right, a large, circular heart shape is partially visible. In the bottom left, a pair of headphones with pink frames and teal pads rests on a surface. In the bottom right, a pink and yellow digital camera is positioned vertically. The central text is rendered in a bold, blocky font.

# Mission 1: The Castle Kidnapping

The game starts in the peaceful kingdom of Alicante where Princess Hello Kitty lives. The player explores the castle and learns the basic controls. Suddenly, the villain appears and kidnaps the princess. The mission ends when the prince escapes the castle to begin the rescue.

# Mission 2: The Enchanted Forest

The player controls the prince as he travels through a magical forest. The forest is full of enemies and traps.

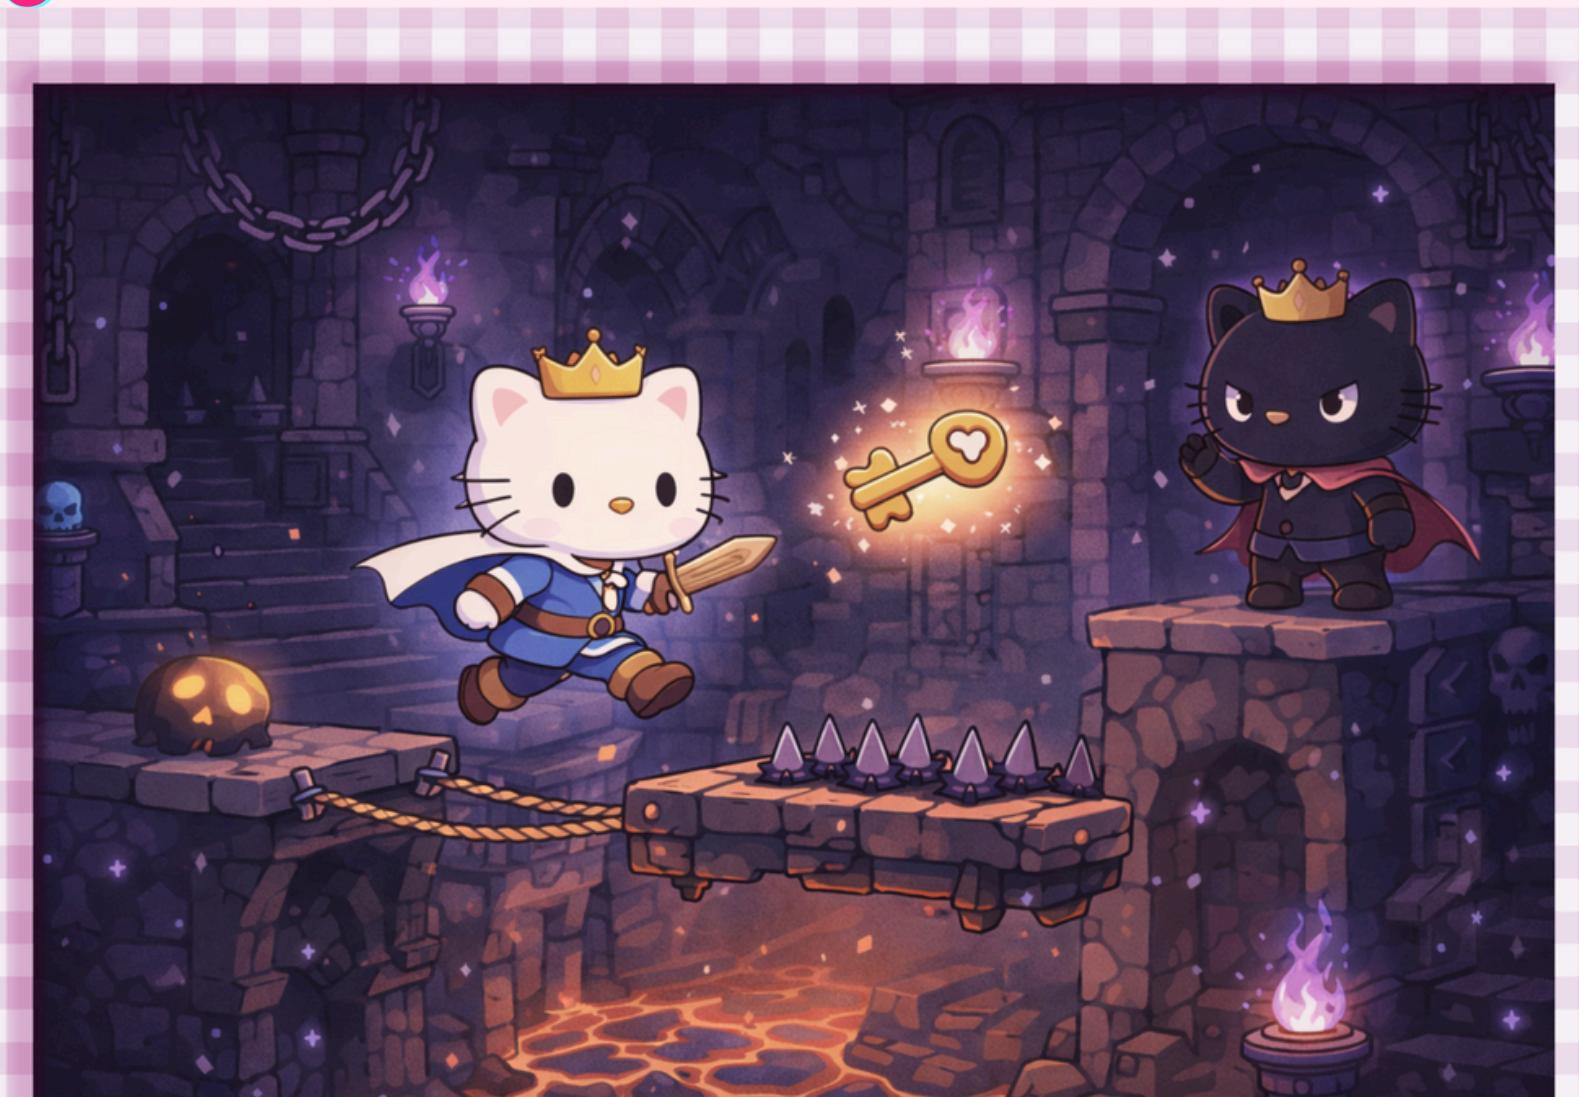

The player must jump over obstacles, defeat enemies, and find a key to continue the journey.

# Mission 3: The Dangerous Bridge

The prince reaches a long bridge above a deep canyon. The player must jump between moving platforms and avoid traps. Power-ups help the prince survive and reach the other side safely.

# Mission 4: The Dark Castle

The prince enters the villain's castle. Inside, there are dark hallways, guards, and puzzles. The player must explore carefully, avoid traps, and find the tower where Princess Hello Kitty is locked away.

# Mission 5: Final Battle and Rescue

In the final mission, the prince faces the villain in an intense battle. The player must dodge attacks and use all learned skills. After defeating the villain, the prince rescues Princess Hello Kitty and peace returns to the kingdom.
